

PREFACE

Bismillahirrahmanirrahim,

Alhamdulillah, the writer thanks Allah SWT, the Almighty and the Merciful for the love, blessing and help which come to her so that the writing of this thesis could finally be accomplished. This thesis is entitled “Improving Students’ Speaking Ability In Procedural Monologue Through Demonstration” (A Classroom Action Research to the Ninth Grade Students of SMP Negeri 23 Pontianak in Academic Year 2011/2012). It is written to fulfill one of the requirements of Sarjana Degree Examination at the English Education Study Program of Language and Arts Education Department of Teacher Training and Education Faculty of Tanjungpura University.

The writer wishes to express her appreciation for all kinds of help which have come to her during her study and her thesis writing. The writer’s deepest gratitude goes toward her two supervisors, Urai Salam, Ph.D., and Sumarni, S.Pd, M. TESOL., for the generosity in sharing ideas and suggestions, correction, encouragement and also for their motivation in guiding the writing of this thesis. The writer also expresses her deepest gratitude to both examiners, Dra. Rismaya Marbun, M.A, and Dwi Riyanti, S.Pd., M.A.TESOL, for the improvement, suggestion, and advises which can help the writer to finish writing this thesis.

Furthermore, the writer would like to express her great appreciation to :

1. Dr. Aswandi, the Dean of Teacher Training and Education Faculty of Tanjungpura University.

2. Drs. Nanang Heryana, M.Pd., the Head of Language and Arts Education Department.
3. Urai Salam, Ph.D., the Chairperson of English Education Study Program.
4. All the lecturers and staffs of the Teacher Training and Education Faculty, especially in English Education Study Program.
5. Saryana, S.Pd, the Headmaster of SMP Negeri 23 Pontianak.
6. Desi Kusumawardhani, S.Pd., the English Teacher of SMP Negeri 23 Pontianak.
7. All of the ninth grade students of SMP Negeri 23 Pontianak, especially in class 9A.

Last but not least, the highest and always the very special gratitude for the writer's beloved parents, Mas Adnan and Murti, for being her inspiration, for the love, support, motivation and great attention and ever-lasting prayer in every single step the writer takes. The warmest thanks are also devoted to all of the writer's lovely sisters, Mas Junilia Sari, Mas Maria Senja, Mas Nilam Kurniati, and her brothers, M. Suryadin, and Edi, for the love, care, support, and understanding while the writer was finishing this thesis and during her study.

The writer is aware of the imperfection of this thesis; therefore, she welcomes all constructive suggestions and comments for the improvement of this thesis.

Pontianak, February 2012

The Writer
