

PREFACE

All praise and thanks be to Allah SWT who has bestowed His mercy and grace on the author, so that the author can complete the thesis with the title "Supervisor Bottom-Line Mentality and Social Support Affect Mental Health and Turnover Intention". Sholawat and greetings are always poured out to the Prophet Muhammad SAW and his friends, family and people who followed his sunnah until the day of judgment comes. The preparation of this thesis aims to fulfil the requirements to be able to achieve a Bachelor of Management degree in the Management Department of the Faculty of Economics and Business, Tanjungpura University, Pontianak.

The author realizes that this writing cannot be completed without the parties who support both morally and materially. So, the author would like to express many thanks to those who assisted the writer in the preparation of this thesis, especially to:

1. My beloved mother, Syarifah Latifah Alqadrie, who provided moral and material support and offered prayers to Allah SWT for author.
2. All family and friends who have encouraged and even helped finish this thesis.
3. Mrs. Dr. Barkah, S.E., M.Si, as the Dean of the Faculty of Economics and Business UNTAN Pontianak.
4. Mrs. Dr. Titik Rosnani, S.E., M.Si, as Chair of the Management Department of the Faculty of Economics and Business UNTAN Pontianak, as well as being a Thesis Advisor after the thesis proposal seminar who has guided the author until the thesis is finished.
5. Mrs. Dr. Erna Listiana, S.E., M.Si, as Head of Management Study Program, Faculty of Economics and Business, UNTAN Pontianak.
6. Mr. Heriyadi, S.E., M.E., Ph.D, as the Academic Advisor and Thesis Advisor who is willing to direct and guide the author during the preparation of the proposal seminar and provide additional knowledge and solutions to problems and difficulties in writing thesis.

7. Mrs. Yulyanti Fahrna, S.E., M.Si and Mr. Harry Setiawan, S.E., M.M, as thesis examiners who gave the best directions and suggestions for improvement for the sake of good thesis results.
8. All classmates, especially for Management International Class and Concentration of Human Resources (HR) class of 2018, who always fill authors' days to be very pleasant.
9. Syarifah Annisa Alqadrie who doesn't get bored and complain in helping me finish this thesis even in the midst of his busy life.
10. Rizqhi Amaliya (Res.Queen) who have always supported the author, especially emotional assistance and help with the preparation of thesis printing.
11. All parties who support the writer directly or indirectly which the author cannot mention one by one.

The author realizes that this thesis is still far from perfect because of the limited knowledge and experience of the author. Therefore, the authors expect suggestions even constructive criticism from various parties. Hopefully this thesis can be useful for readers and parties, especially in the field of economic management.
