

ACKNOWLEDGEMENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Alhamdulillahirabbil Alamin is the most gracious and loving in Allah SWT's name. Peace and blessing be upon Prophet Muhammad SAW, his family, relatives, and followers. Praise and thankfulness to Allah SWT for providing the researcher with courage and guidance, allowing this thesis entitled "Challenges In Using Digital Media In Teaching English," which was a case study about challenges faced by English Teachers in Pontianak in using digital media for teaching English, can finish accordingly. The writer would like to express her gratitude to the thesis supervisor, Uray Salam, M. CALL., Ph.D as the first supervisor, and Surmiyati, M.Ed., Ph.D as the second supervisor for their guidance, generosity, and support for the writer. The writer also would like to express her gratitude to her honorable examiners Yanti Sri Rezeki, M. Ed., Ph. D and Dwi Riyanti. M. A., Ph. D who have given significant corrections and advices her thesis.

Furthermore, the writer would like to express appreciation for helping and contributing in the writer's study to:

1. Dr. Ahmad Yani T, M. Pd., M. Pdi., Dean of Teacher Training and Education Faaculty of Universitas Tanjungpura.
2. Dr. Patriantoro, M. Hum., the Chairman of Language and Arts Education Department.
3. Yanti Sri Rezeki, M. Ed., Ph. D., the Chairperson of English Education Study Program.
4. All lecturers and the English Education Study Program staff for all the knowledge and help.

The researcher would like to thank to her beloved family, her best friends "Mercon" and all of her college friends who have always shared their meaningful support, precious moments and experiences, information, and unconditional helps for the researcher during her study journey. Moreover, the researcher also express gratitude to her beloved cousin Rizky Imalia for her help in the process of collecting this research data. The researcher would like to express her gratitude to both SMPN

02 and SMPN 20 Headmasters Pontianak for allowing the researcher to obtain research data so that the researcher can finish this research. The researcher also thanks the all participants in this study for their willingness to share data and their experiences with the researcher. Finally, the researcher would like to thank everyone who has verbally supported her in completing her research, thesis, and studies at Universitas Tanjungpura. As a result, any constructive criticism and suggestions for improving this thesis are appreciatively and openly accepted for the betterment of this thesis. The researcher hopes this thesis will be helpful to many people, particularly those enrolled in the English Education Study Program.

Pontianak,

The researcher
