

## ACKNOWLEDGEMENTS

*Alhamdulillahillobbil 'Alamin*, In the name of Allah SWT, the most loving and the most merciful. Praise and gratitude the researcher prayed to Allah SWT for his blessing and guidance. The researcher completed this thesis entitled "EFL learners' perception in vocabulary acquisition using English novel". Prayers and salutations to the beloved prophet Muhammad SAW, his companions, and the faithful followers of Allah's religion, Islam.

The researcher would like to express her gratitude and appreciation to the thesis supervisor, Dr. Eni Rosnija, M. Hum as the first supervisor, and Yanti Sri Rezeki, M.Ed., Ph. D, as the second supervisor. It is because, without the help of the supervisors, the researcher could not complete her thesis. The researcher also would like to present her gratitude to the examiners, Eusabinus Bunau, S. Pd., M.Si., Ph.D. as the first examiner, and Eka Fajar Rahmani., M. Pd., as the second examiner who gave significant corrections and advices to her thesis. Furthermore, the writer would like to express her gratitude to:

Furthermore, the writer would like to express appreciation for helping and contributing in the writer's study to:

1. Dr. Ahmad Yani T, M. Pd. the Dean of Teacher Training and Education Faculty of Universitas Tanjungpura

2. Dr. Patriantoro, M. Hum., the Chairman of the Language and Arts Education Department.
3. Yanti Sri Rezeki, M. Ed., Ph. D., the Chairperson of the English Education Study Program.
4. All lecturers and the English Education Study Program staff for all the knowledge and help.
5. The students of the English Education Study Program in Teacher and Education Training Tanjungpura University batch 2017 for their participation in helping the researcher during her research.

First, the researcher would like to thank the researcher's parents, her beloved father and mother, Masdani and Muniarni. Their support and love given by them had given the researcher strength while working on this thesis. Moreover, without the energy from them, the researcher could not finish this thesis. And also, the researcher would like to thank her brothers, Oka Jaya Murdani and Fahrurozi, who always supported her and motivated her to finish this thesis.

The researcher also would like to thank her friends Bela Mustika Wati, Deni Subana, and Tirta Hutasoit for helping work on this thesis when the researcher was confused about doing it and helping in fixing the structure in writing. And also, the researcher would like to thank her close friends "Mercon and Ceminut" for their support and who have always shared their meaningful, precious moments and experiences, information, and unconditional help for the researcher during her study journey. And other friends that the researcher cannot

mention individually, the researcher feels very grateful. Thank you to all of her friends for helping her when the researcher was confused about doing this thesis.
