

## ACKNOWLEDGEMENT

Bismillahirrahmanirrahim. Alhamdulillahirabbil'alamin. All praises to Allah Subhanahu Wa Ta'ala for His blessings for giving me health, strengths, guidance, and the opportunity to write this thesis. I as the writer realized that my struggles and efforts in finishing this thesis are because of His will.

The title of this thesis is “Developing Interactive Multimedia to Support Teaching Vocabulary” (A Development Research for the Seventh Grade Students of SMP Negeri 4 Sintang in Academic Year 2021/2022). It is a requirement for the Bachelor's Degree examination at the English Language Education Study Program of Language and Arts Education Department of Teacher Training and Education Faculty of Universitas Tanjungpura. I would like to express my great gratitude to Urai Salam, M.CALL., Ph. D as my first supervisor, and Wardah, S.Pd., M.Pd as my second supervisor, who guided me patiently and sincerely, and gave motivation, advice, and feedback as well as corrections throughout this thesis writing. I would like also to show my deep appreciation to Dr. Rahayu Apriliawati, M.Ed., TESOL as my first examiner and Drs. Luwandi Suhartono, M.Hum. as my second examiner who had given constructive feedback and suggestions for the thesis. Moreover, I would like to thank the following people for helping me finish the thesis writing:

1. Dr. Ahmad Yani T, M.Pd., the Dean of Teacher Training and Education Faculty.
2. Dr. Patriantoro, M.Hum., the Chairperson of the Language and Arts Education Department.

3. Yanti Sri Rezeki, M.Ed., P.h.D., the Chairperson of the English Language Education Study Program.
4. Lecturers of the English Language Study Program give valuable knowledge and remarkable efforts and contribution to teaching.
5. Yekti Sulistiani, S.Pd, the English teacher of SMP Negeri 4 Sintang who helped me in conducting the research.
6. My big family in Sintang, especially my beloved parents, who always pray and support me to finish my study.
7. My closest friends: Elpit, Mely, Ersas, Irma, Nurnisa, and Margareth who always give endless support and brilliant ideas to help me in developing the product of this research.
8. My classmates in A and A+ Classes in the English Language Education Study Program Regular A batch 2016 give information related to the process of finishing this thesis writing.

I admit that this thesis is not perfect, yet I hope that it is beneficial for all readers. Thus, any constructive comments and suggestions are greatly needed for the augmentation of this thesis.
