

## ABSTRAK

Skripsi ini berjudul Implementasi Peraturan Walikota Pontianak Nomor 58 Tahun 2020 Tentang Penerapan Disiplin Dan Penegakan Hukum Protokol Kesehatan Sebagai Upaya Pencegahan Dan Pengendalian *Corona Virus Disease*. Tujuan penelitian ini adalah ingin mendiskripsikan dan menganalisa tahap pengorganisasian, interpretasi dan aplikasi dalam pelaksanaan Peraturan Walikota Pontianak Nomor 58 Tahun 2020 Tentang Penerapan Disiplin dan Penegakan Hukum Protokol Kesehatan sebagai upaya pencegahan dan pengendalian *Corona Virus Disease* di area *coffee street* Jl. Reformasi Kelurahan Bansir Laut Kecamatan Pontianak Selatan Kota Pontianak. Teknis pengumpulan data meliputi observasi, wawancara dan dokumentasi serta didukung dengan alat check list, pedoman wawancara dan alat dokumentasi berupa foto copy, arsip-arsip dan kamera. Hasil penelitian menunjukkan bahwa tahap keorganisasian proses implementasi Peraturan Walikota Pontianak Nomor 58 Tahun 2020 Tentang Penerapan Disiplin Dan Penegakan Hukum Protokol Kesehatan Sebagai Upaya Pencegahan dan Pengendalian Corona Virus Disease, keterlibatan unsur pelaksanaan yang mempunyai kewenangan belum optimal seperti Satuan Polisi Pamong Praja (Sat Pol PP) Kota Pontianak dan satgas kesehatan kecamatan dalam menjalankan visi dan misi, SOP dan tupoksi yang menjadi landasan dalam melaksanakan fungsinya, terdapat kekurangan. Tahap interpretasi Peraturan Walikota Pontianak Nomor 58 Tahun 2020 belum menunjukkan kemampuan petugas pelaksana dalam memahami Perwal tersebut. Hal tersebut terlihat dari pelaksanaan Perwal kurang dipahami oleh masyarakat, terkait sosialisasi kepada masyarakat yang belum maksimal. Tahap aplikasi proses implementasi Peraturan Walikota Pontianak Nomor 58 Tahun 2020 belum terkoordinir secara professional, karena pelaksanaan kebijakan Perwal, belum sepenuhnya mengarah kepada kegiatan Preventif, Represif dan Rehabilitatif. Hal ini terbukti makin meningkatnya kerumunan masyarakat di area *coffee street* Jalan Reformasi Kelurahan Bansir Laut Kecamatan Pontianak Tenggara Kota Pontianak.

## ABSTRACT

*This thesis is entitled Implementation of Pontianak Mayor Regulation Number 58 of 2020 concerning the Implementation of Discipline and Law Enforcement of Health Protocols as an Effort for Prevention and Control of Corona Virus Disease., The purpose of this study is to describe and analyze the stages of organizing, interpreting and applying in the implementation of Pontianak Mayor Regulation Number 58 Year 2020 concerning the Implementation of Discipline and Law Enforcement of Health Protocols as an effort to prevent and control Corona Virus Disease in the coffee street area, Jl. Reform of Bansir Laut Village, South Pontianak District, Pontianak City. Technical data collection includes observation, interviews and documentation and is supported by checklists, interview guidelines and documentation tools in the form of photocopies, archives and cameras. The results showed that the organizational stage of the implementation process of the Pontianak Mayor Regulation Number 58 of 2020 concerning the Implementation of Discipline and Law Enforcement of Health Protocols as an Efforts to Prevent and Control Corona Virus Disease, the involvement of implementing elements that have authority is not optimal, such as the Civil Service Police Unit (Sat Pol PP). ) The city of Pontianak and the sub-district health task force in carrying out their vision and mission, SOPs and main tasks and functions which are the basis for carrying out their functions, have shortcomings. The interpretation stage of the Pontianak Mayor's Regulation Number 58 of 2020 has not shown the ability of implementing officers to understand the Perwal. This can be seen from the implementation of the Perwal that is not understood by the public, related to socialization to the community which has not been maximized. The application stage of the implementation process of the Pontianak Mayor Regulation Number 58 of 2020 has not been coordinated professionally, because the implementation of the Perwal policy has not fully led to Preventive, Repressive and Rehabilitative activities. This is proven by the increasing crowd of people in the coffee street area, Jalan Reformasi, Bansir Laut Village, Pontianak Tagara Subdistrict, Pontianak City.*
