

ACKNOWLEDGEMENT

The utmost gratitude to Allah SWT (the most glorified, the highest) and Prophet Muhammad SAW (peace and blessings be upon him) for all the time love and guidance. This thesis entitled “An Analysis on Derivational Morphemes in the Joe Biden’s Inauguration Speech” is written to fulfill one of the requirements for the Bachelor’s Degree examination in Teacher Training and Education Faculty of Universitas Tanjungpura.

The researcher would like to express her biggest gratitude to Dr. Regina, M.Pd. as her first supervisor and Dr. Endang Susilawati, M.Si. as her second supervisor for their generosity, support, guidance, and encouragement for the researcher. The researcher would also like to express her gratitude to Drs. Sudarsono, M.A., Ph.D. and Drs. Luwandi Suhartono, M.Hum. as the researcher’s examiners who have given significant correction and advice for her thesis.

Furthermore, the researcher would like to express her great appreciation to all lecturers who helped her in accomplishing this thesis: Dr. Patriantoro, M.Hum., as the Head of Language and Arts Education Department, Yanti Sri Rezeki, M.Ed., Ph.D., as the Chairperson of English Language Education Study Program, and all staffs of English Education Study Program who have given valuable help and contribution throughout the researcher’s study.

The deepest gratitude also to her beloved parents, Drs. Suhaimi and Masriah S.Pd.I., and her brothers who have continuously encouraged her in her study, including during the process of writing this thesis. Deepest thanks also to her best

friends Alid Hakiki, Nur Auliza, Rini Nuraini, Nurul Puspitasari, Syarifah Ismia Yufhita, Irma Widia Mita, and all her friends in Universitas Tanjungpura who have given her great help, meaningful support, unforgettable moment, and best experiences during her study.

The researcher realizes that there are still some shortcomings in this thesis, for that the researcher really appreciates any criticism and suggestions to improve it. Hopefully, this thesis can be useful for the readers.
